

Specialist training from Brain Injury Group

Cerebral Palsy Claims – Quantum

London – 18 November 2020

Accredited by APIL Training (5 hours APIL CPD Litigator/Senior Litigator)

Following the success of our 2018/9 Cerebral Palsy conference, we return in 2020 with an all new agenda looking at quantum in cerebral palsy claims. A range of topics, delivered by experts in their field, this day is expected to sell out quickly, so early booking is advised.

Who should attend? Clinical negligence lawyers (claimant and defendant), case managers, therapists and other health/social care professionals who support those with cerebral palsy.

REDEFINING POSSIBILITIES

Programme

09.30	Welcome from the Chair – <i>Hugh Preston QC, 7BR</i>
09.40	Dystonia <i>Dr Ram Kumar, Consultant Paediatric Neurologist, Alder Hey Children's NHS Foundation Trust</i> This session will provide an overview of what dystonia, the causes, types and symptoms. It will also look at the treatments available and what the expected outcomes are for these treatments.
10.25	Auditory Neuropathy <i>Dr Waheeda Pagarkar, Consultant in Audiovestibular Medicine, Great Ormond Street Hospital</i> What causes auditory issues for people with cerebral palsy, what are the symptoms, how are they diagnosed and what treatments are available.
11.10	Refreshment break
11.30	Vision related problems in CP <i>John Elston, Oxford University Hospitals NHS Foundation Trust</i> The pathologies resulting in CP often cause problems with visual development. Optic nerve damage can occur, particularly if there have been problems with raised intracranial pressure, but often the major issue is cerebral visual impairment. This session will explore these problems.
12.20	The use of Botox and Selective Dorsal Rhizotomy (SDR) <i>Tim Theologis, Oxford University Hospitals NHS Foundation Trust</i> This session will look at the use of Botox and SDR to treat children with cerebral palsy. When can each treatment be used, what are the expected outcomes and what are the alternatives?
13.00	Introduction to our sponsors, Neurokinex
13.15	Lunch
14.00	Physiotherapy <i>Sue Filson and Nicki Keech, SJF Physiotherapy</i> How effective is physiotherapy to assist with managing and improving mobility and what are the expected outcomes? The session will also consider how treatment needs change through adolescents and adulthood.
14.45	Supporting the family <i>Nikki Smith and Heidi Stanley, StanleySmith Case Management</i> By way of case studies, this session will explore how best to support the family of a severely disabled child and to co-ordinate the multi-disciplinary team whilst ensuring family relationships, with each other and with the MDT, stay healthy.
15.30 – 15.50	Q&As and closing comments from the Chair

Our 2020 training programme is sponsored by:

Terms and Conditions

- 1. Confirmation of booking:** Your booking will be confirmed on receipt of payment in full, or on issue of our invoice if opting for this payment method. Joining instructions will be sent prior to the event. Payment is required in advance of the training and we reserve the right to refuse entry to the event if payment has not been received. In certain circumstances, we may agree that payment can be made after the event, but such agreement must be obtained in advance in writing from us.
- 2. Indemnity:** It may be necessary for reasons beyond our control to alter the content and timing of the event, or to cancel it if absolutely necessary and issue a full refund. The Brain Injury Group accepts no liability if, for whatever reason, the event does not take place.
- 3. Cancellations, substitutions and refunds:** Cancellations must be received in writing. A refund of the training fee (less an administration charge of £25) will be made if cancellation is at least 4 weeks before the event. No refunds will be given for cancellations notified after this period, and full payment will still be due irrespective of when the booking was made. No refunds will be made for failure to attend. Substitution of delegates can be made without charge at any time by giving us written notice.
- 4. Contract:** This booking constitutes a legally binding contract. The delegate and employer are jointly and severally liable for payment of all the fees due. To the extent permitted by law, neither the Brain Injury Group nor its presenters will be liable by reason of breach of contract, negligence or otherwise for any loss or consequential loss occasioned by any person acting, omitting to act or refraining from acting in reliance upon the course material or presentation of the event.
- 5. Data protection:** Please note that your information may be used to send you details of services or events that we offer that we have identified as likely to be of interest to you. If at any point you would like to opt-out of receiving communications from us, please use the unsubscribe button on our marketing emails, or contact us by email at info.services@braininjurygroup.co.uk. Please be reassured that we will not release your information to any third party for them to use for their own direct marketing purposes, unless you have requested us to do so. We use a global marketing platform to manage marketing communications relating to events, newsletters etc., therefore the processing of data may take place outside the European Economic Area in respect of that. Your data will, however, always be held securely and the platform is compliant with the requirements of UK data protection legislation. Your information will be held by us until such time as you choose to unsubscribe, or for a period of 7 years from the date of the training event.
